## Report of Principal and School Improvement Council

The 2010-2011 school year was a very successful one for Fulmer Middle School both academically and athletically. Our school was recognized with two Palmetto Silver Awards by the State Department of Education for Closing the Achievement Gap and Academic Performance. The boys and girls basketball teams won the district championships, and the PAC 3A Championships. We also were runner-ups in the Palmetto Athletic Conference Basketball Tournament. In addition, we continue to be recognized as a South Carolina Red Carpet School.

Our fine arts department continued to shine in all areas. The visual arts department had two students win awards at the State Fair Art Show and many others had their art displayed. The band received an "Excellent" rating at the SCBDA Concert Festival and our chorus received an "Excellent" rating at Choral Festival. Our band, chorus, and strings students won numerous "Superior" and "Excellent" awards at their respective Solo and Ensemble competitions. In addition, we had students selected for All-State and Region Bands.

Our Gateway To Technology program continues to prepare our students for future engineering opportunities and now features six different classes including Design and Modeling, Automation and Robotics, Energy and the Environment, Flight and Space, Science of Technology, and Magic of Electrons. In addition, our Technology Student Association continued to make us proud by finishing with numerous first, second, and third place winners at the State competition.

Our students continue to achieve academically. We had four students qualify as Duke TIP Scholars, seven students qualify as South Carolina Junior Scholars, ten qualify as Myrdis Walker Scholars, and over ninety-five students qualify for Junior Honor Society. Our teachers continue to collaboratively plan their instruction and create common assessments to assess students' mastery of the content standards. Using Mastery Manager, teachers evaluate their test results to know which content areas and students need additional time. This is just a small part of our emphasis on providing our students with a guaranteed and viable curriculum.

Our outstanding faculty and staff includes eight National Board Certified teachers and one NBCT candidate. Emmylou Todd, one of our special education teachers, represented Fulmer Middle School as our Teacher of the Year. Our staff also continued our partnership with the University of South Carolina by serving as both a practicum site and clinical site for future teachers.

Our cafeteria staff had four perfect attendance award winners, earned a five star award, and was recognized as the "Cafeteria of the Year" for Lexington School District Two.

At Fulmer Middle School, our focus is student learning, which is achieved through the partnership and collaborative efforts of teachers, students, and parents. We will continue to analyze our assessment data for the purpose of improving our practices and to ensure that we reach our achievement goals as we continue our efforts as a true Professional Learning Community.
